

# PP308952RAA/ PP308953GAA/ PP308952GAA

## TIPPS:

1. Please read the instructions fully before assembly. These instructions include important information which could ensure correct assembly. We have been working on providing high quality products for you. However, in the rare instance that your product is defective, missing parts or there are some issues, please don't hesitate to contact our customer service to submit parts requirements, assembly suggestion, or warranty claims, and we will give the best solution as soon as possible. If necessary, we need you to provide some more clear pictures of the issue.
2. Thank you for shopping! We strive to provide you with high quality products. In rare cases that your product is damaged, missing parts or you encounter assembly problems, please contact our customer service with it, we will offer you the best solution as soon as possible. In order to solve your problem quickly, please provide us with some pictures that can clearly reflect the product problem. Thanks very much!
3. Insert the screws in holes and tighten the screws, but not too tight, 70%~80% is ok, finally tighten all the screws. If some issues happened that some screws can not target to the hole or some parts are difficult to install, please adjust the tightness of the screws.
4. 2 people are recommended to finish

### Back

### Legs

A×1

Spanner

B×1

M6×20mm  
Shorter Screws

1

- \* Taking the Leg to align the holes by using the spanner up to 100%.

2

- \* Put chair in the upright position and sit on the chair to press downwards on the seat pad.
- \* Ensuring that all 4 feet touch the ground and chair is leveled. Also you can use adjustable feet to keep four legs level.
- \* Tighten all screws up to 100% making sure the chair remains level when tightening.

3

The product can be adapted to the new environment within a few days after assembly.

Make sure all screws are installed!
